Lindsay is a dynamic and results-focused Learning & Development professional with over 15 years of experience designing and facilitating impactful learning experiences across corporate, government, retail, and small business environments.

Renowned for her engaging facilitation style both live and live online, Lindsay creates inclusive, high-energy learning spaces that inspire participation, spark insight, and drive meaningful behavioural change. Her sessions are not only interactive and relevant—they're strategically aligned to deliver measurable business outcomes.

With a strong foundation in psychology and business, Lindsay brings a consultative approach to every engagement. She partners with stakeholders to identify capability gaps, design targeted learning solutions, and deliver workshops that build confidence, competence, and performance.

Lindsay's facilitation consistently earns praise for its relevance, energy, and impact. She leads by example, modelling the high-performance behaviours she helps others develop—resulting in stronger teams, improved culture, and tangible business results.

Lindsay specialises in the following competency areas:

- Leadership Empowerment
- Consultative Selling
- Personal Effectiveness & Productivity
- Change Management
- High Performing Corporate Culture
- Strategy & Execution

Top 5 Industry's Lindsay works with:
